

2011 Society for Pediatric Sedation Conference

A clearer vision of quality in pediatric sedation

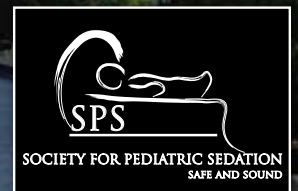

May 22-24, 2011

Radisson Plaza Hotel • Minneapolis, MN

SPS Sedation Provider Course

Sunday, May 22

Children's Hospitals and Clinics of Minnesota • Minneapolis Campus

SOCIETY FOR PEDIATRIC SEDATION

2209 Dickens Rd., Richmond, Va 23230-2005 • (804) 565-6354 • Fax: (804) 282-0090

www.pedsedation.org

Scientific Program Information

Target Audience

Procedural sedation increasingly impacts many aspects of pediatric medical care and sedation providers include professionals from a broadening range of disciplines. This educational activity is intended for any health care provider interested in or who provides pediatric procedural sedation including physicians (any subspecialty), dentists, nurses, advanced practice nurses, nurse anesthetists and other health professionals.

Statement of Need

Significant variability exists between the medical care models currently employed in the delivery of pediatric sedation. However, based on responses from prior sedation conferences, themes/questions posed to/on sedation discussion forums, and current published literature, sedation providers continue to desire greater understanding of the elements of optimal sedation delivery systems, how those elements relate to their own individual organizational structures, and how these elements can be incorporated into provider training and practices. These venues have also identified a need for a better understanding of the sedation needs of sub-populations of pediatric patients with unique needs as well as the overall processes involved in the pre-sedation assessment, patient selection, intra-sedation and post-sedation care.

Purpose

Participants will develop an understanding of care delivery models in pediatric sedation, in terms of their organizational structure, business practices, credentialing of providers, patient selection and medical practices. This knowledge will allow sedation providers to evaluate and adjust their practice models and/or individual clinical practices within which they currently function, or are in the process of building. Participants will also obtain a better understanding of practical issues in delivering sedation care, including selection of sedation agents, pre-, intra- and post-sedation care, and sedation education processes, all of which will enhance participants' subsequent clinical sedation practices. The additional skills and knowledge participants will gain on both the levels of systems design and of individual practice will result in improved, safer patient care.

Overall Conference Objectives

Upon completion of this course, the participant will be able to describe the critical elements of the existing care models in institutions that practice pediatric sedation, discuss methods for evaluation and optimization of existing sedation care models, discuss decision making regarding patient selection and the development of a sedation plan from the perspective of the different subspecialties that practice pediatric sedation. Participants will be able to discuss important practical issues in the delivery of pediatric sedation care, including the selection of sedation agents and monitoring modalities as well as the increasing role of simulator technology in sedation practice education and credentialing.

Accreditation for Physicians

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Minnesota Medical Association and the Society for Pediatric Sedation. The Minnesota Medical Association (MMA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Minnesota Medical Association designates this educational activity for a maximum of 13 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation for Nurses

Children's Hospitals and Clinics of Minnesota is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Children's of Minnesota designates the Society for Pediatric Sedation Conference 2011, May 23-24, 2011 for 13 hours of continuing nursing education.

In order to receive continuing education credit for this educational activity, nurses must:

- be registered for this activity and sign in;
- be present at the beginning of the session;
- remain until the ending time; and
- complete and submit the evaluation form before you leave at the conclusion.

Pediatric Sedation Research Consortium (PSRC) Meeting

The Pediatric Sedation Research Consortium (PSRC) is an organization of hospitals and universities dedicated to understanding and improving the process of pediatric sedation and sedation outcomes for all children. This organization will have its Annual Meeting on Sunday, May 22, 2011 at 6:30 p.m. The meeting is aimed at updating members on administrative and research issues specific to the work done in the last year and in the immediate future. No CME credit is associated with this meeting. Individuals who are interested in the work of this organization are invited to attend the meeting.

Hotel Reservation Information

Reservation Deadline: April 21, 2011

Radisson Plaza Hotel Minneapolis

35 South Seventh Street

Minneapolis, Minnesota 55402

(612) 339-4900

Radisson Plaza Hotel Minneapolis Offers Luxurious Accommodations

Located in the heart of downtown Minneapolis, the Radisson Plaza Hotel is just steps away from the business district, local shopping and entertainment. One of the top Minneapolis hotels, the Radisson features wireless Internet, a Fitness Center, a Business Center and a whirlpool. For added convenience, our hotel is connected to the city's climate-controlled skyway system. This four-star, Radisson flagship property will pamper you with luxurious amenities and top-notch services.

SPS Group Rate: \$129 single/double; \$144 triple; \$159 quad

Make your reservations by calling 1-800-333-3333 or online at <http://www.radisson.com/sps2011>.

Minneapolis attraction and restaurant information is available on the SPS website at <http://pedsedation.org/sections/meetings/>.

SPS Sedation Provider Course Information

Target Audience

The target audience for the SPS Sedation Provider Course includes health care providers who have clinical experience in the area of pediatric sedation and who desire to enhance their knowledge and clinical competency in the field. This group includes physicians, nurses and advance-practice nurses involved in the field of pediatric sedation

Statement of Need

This course is designed to meet the needs of the sedation provider seeking both practical (simulation) training and didactic content focused on patient selection, patient safety, pharmacology and the management of common adverse events. As significant adverse events are rare, this “hands-on” model of training is especially pertinent.

Purpose

Participants will gain clinical skills and a deeper understanding regarding issues related to the assessment of sedation patients, development of a sedation plan, recognition and management of both common and life-threatening adverse events in sedation practice and sedation pharmacology. This course is designed to provide practitioners with the knowledge, competencies and skills that promote safe and effective high-quality procedural sedation to children.

Accreditation for Physicians

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council

for Continuing Medical Education through the joint sponsorship of the Minnesota Medical Association and the Society for Pediatric Sedation. The Minnesota Medical Association (MMA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Minnesota Medical Association designates this educational course for a maximum of 8 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation for Nurses

Children’s Hospitals and Clinics of Minnesota is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Children’s of Minnesota designates the Society for Pediatric Sedation Procedural Sedation Course, May 22, 2011, for 8 hours of continuing nursing education.

In order to receive continuing education hour credit for this educational activity, nurses must:

- be registered for this activity and sign in;
- be present at the beginning of the session;
- remain until the ending time; and
- complete and submit the evaluation form before you leave at the conclusion.

SPS Sedation Provider Course Objectives

The goal of the provider course is to provide practitioners with the knowledge, competencies and tools to promote high quality procedural sedation to children. Upon successful completion of this course, the registrant should be able to:

1. Perform a pre-sedation risk assessment;
2. Describe the effects of sedation on airway control and respiratory drive;
3. Explain the principles of and interpret the information from pulse oximetry and capnography;
4. Define, diagnose and treat adverse airway and cardiopulmonary events during sedation;
5. Recognize pharmacologic concerns when using common sedative drugs;
6. Apply core case scenarios related to sedated pediatric patients including all aspects of airway management, ventilation, resource management, and appropriate use of resuscitative measures; and
7. Develop a systematic and rational approach to pediatric sedation.

SPS Sedation Provider Course Program

Sunday, May 22, 2011

- 7:00 am-7:30 am Registration and Continental Breakfast**
- 7:30 am-7:45 am Introduction**
Gregory Hollman, MD
- 7:45 am-8:30 am Pre-Sedation Phase and Assessment**
Patricia Scherrer, MD
- 8:30 am-9:30 am Procedural Sedation Phase**
Gregory Hollman, MD
- 9:30 am-9:45 am Simulation Session Introduction**
Akira Nishisaki, MD
- 10:00 am-11:30 am Simulation Sessions**
- Apnea/Hypoventilation:
Group A – *Susanne Kost, MD; Peter Chin, MD*
Group B – *David Banks, MD; Joseph Cravero, MD*
 - Airway Obstruction Simulation:
Group A – *Akira Nishisaki, MD; Melissa Cercone, MD*
Group B – *Anne Stormorken, MD; Deborah LaViolette, RN*
 - Adverse Events Small Group Lecture:
Mark Roback, MD
- 11:30 am-12:15 pm Lunch**
- 12:15 pm-1:45 pm Simulation Sessions**
- Secretions/Aspiration:
Group A – *Anne Stormorken, MD; Mark Roback, MD*
Group B – *Joseph Cravero, MD; Deborah LaViolette, RN*
 - Hemodynamic Changes:
Group A – *Philip Bernard, MD; Peter Chin, MD*
Group B – *David Banks, MD; Susanne Kost, MD*
- Monitoring Small Group Lecture – *Gregory Hollman, MD*
- 1:45 pm-2:00 pm Break**
- 2:00 p.m-5:00 pm Sessions:**
- Non-Invasive Core Case Simulation – *Philip Bernard, MD; Peter Chin, MD; Mark Roback, MD*
Invasive Core Case Simulation – *Akira Nishisaki, MD; Gregory Hollman, MD; Melissa Cercone, MD*
Tailoring Sedation Small Group Lecture – *Susanne Kost, MD; Deborah LaViolette, RN*
Post Sedation Small Group Lecture – *David Banks, MD*
- 5:00 pm-6:00 pm Simulation Scenario Test**
Akira Nishisaki, MD; Gregory Hollman, MD
- Written Test
Patricia Scherrer, MD; Anne Stormorken, MD

2011 Society for Pediatric Sedation Conference

A clearer vision of quality in pediatric sedation

Scientific Program

Sunday, May 22, 2011

6:30 pm Pediatric Sedation Research Consortium Meeting (no CME Awarded)

Monday, May 23, 2011

- 6:30 am-7:45 am **Committee Meetings**
- 7:00 am-8:00 am **Continental Breakfast with Exhibitors**
- 7:00 am-5:00 pm **Registration**
- 8:00 am-8:05 am **Welcome**
Patricia Scherrer, MD
- 8:05 am-9:00 am **Quality 2011 – Pediatric Sedation in the Era of Health Care Reform**
J. Michael Connors, MD
- 9:00 am-9:30 am **Safe and Effective Procedural Sedation: Addressing the Controversies in Matching Patients, Providers and Potent Medications**
Cheri Landers, MD; Richard Lock, MD; Carrie E. Makin, RN, BSN
- 9:30 am-9:45 am **Question and Answer**
- 9:45 am-10:15 am **Coffee Break with Exhibitors**
- 10:15 am-11:00 am **Nitrous Oxide in Pediatric Procedural Sedation – Current Practice, Future Directions**
Judith Zier, MD
- 11:00 am-11:45 am **The Expanding Role of Nursing Practice in Pediatric Sedation**
Valerie Houser, RN
- 11:45 am-12:00 noon **Question and Answer**
- 12:00 noon-12:45 pm **Lunch in Exhibit Hall**
- 12:45 pm-1:35 pm **Year's Best Abstract and Poster Presentations**
- 1:35 pm-1:45 pm **Break**
- 1:45 pm-2:30 pm **Breakout Sessions #1**
See Breakout Listing on Page 8
- 2:30 pm-2:45 pm **Coffee Break with Exhibitors**
- 2:45 pm-3:30 pm **Breakout Sessions #2**
See Breakout Listing on Page 8

- 3:45 pm **Tour Departs for Children's Hospital**
- 4:00 pm-5:30 pm **Tour of Children's Hospital of Minneapolis**
- 6:00 pm-7:30 pm **Committee Meetings**
- 7:00 pm-9:00 pm **Welcome Reception with Walkaround Posters in Exhibit Hall**

Tuesday, May 24, 2011

- 6:30 am-7:45 am **Committee Meetings**
- 7:00 am-8:00 am **Continental Breakfast with Exhibitors**
- 7:00 am-5:00 pm **Registration**
- 8:00 am-8:45 am **Distinguishing Sedation Adverse Events from Performance Measures**
Mark Roback, MD
- 8:45 am-9:30 am **Pediatric Sedation Large Database Research – The Good, the Bad, the Future**
Joseph Cravero, MD
- 9:30 am-9:45 am **Question and Answer**
- 9:45 am-10:15 am **Coffee Break with Exhibitors**
- 10:15 am-11:00 am **Breakout Sessions #3**
See Breakout Listing on Page 8
- 11:00 am-11:10 am **Break to Change Sessions**
- 11:10 am-11:55 am **Breakout Sessions #4**
See Breakout Listing on Page 8
- 11:55 am-12:30 pm **Lunch in Exhibit Hall**
- 12:30 pm-1:30 pm **Research Year in Review**
Mary Hegenbarth, MD; Lia Lowrie, MD; Janey McGee, MD; Jennifer Schoonover, ARNP
- 1:30 pm-1:50 pm **Coffee Break with Exhibitors**
- 1:50 pm-2:30 pm **The Value of Organized Sedation Systems: Advocating for Appropriate Financial Reimbursement and Institutional Support**
Lia Lowrie, MD
- 2:30 pm-3:10 pm **Growing Pains: Transitioning your Sedation Program from Initial Vision to Practice Maturity**
Greg Hollman, MD
- 3:10 pm-3:25 pm **Question and Answer**
- 3:25 pm-3:35 pm **Break to Change Sessions**
- 3:35 pm-4:20 pm **Breakout Sessions #5**

Breakout Listing

Please choose first, second and third choice for each session in the left column.

BREAKOUT SESSION #1 • Monday, May 23, 2011 • 1:45 pm-2:30 pm	
1 • 2 • 3	Sedating the Child with Congenital Heart Disease - Practical Tips for Screening and Management - Jeffrey Linzer, Sr., MD
1 • 2 • 3	Round Table Discussion: Pediatric Hospitalist Sedation Providers - Jason Reynolds, MD
1 • 2 • 3	Optimizing Sedation for Radiologic Procedures - Cheryl K. Gooden, MD; Gordon Gale, MD
1 • 2 • 3	Physician Billing and Reimbursement 2011 - David Werner, MD
1 • 2 • 3	Round Table Discussion: Advancing the Roles of the Pediatric Sedation Nurse - Deborah LaViolette, RN
1 • 2 • 3	Nitrous Oxide Equipment Demonstration - Judith Zier, MD and MaryKay Farrell, RN
BREAKOUT SESSION #2 • Monday, May 23, 2011 • 2:45 pm-3:30 pm	
1 • 2 • 3	Round Table Discussion: Effective Medical Direction of Pediatric Sedation Systems - Lia Lowrie, MD
1 • 2 • 3	Round Table Discussion: Advanced Practice Nurses and Pediatric Sedation 2011 - Jennifer Schoonover, CPNP-PC
1 • 2 • 3	Optimizing Sedation for Radiologic Procedures - Cheryl K. Gooden, MD; Gordon Gale, MD
1 • 2 • 3	Physician Billing and Reimbursement 2011 - David Werner, MD
1 • 2 • 3	Round Table Discussion: Advancing the Roles of the Pediatric Sedation Nurse - Deborah LaViolette, RN
1 • 2 • 3	Nitrous Oxide Equipment Demonstration - Judith Zier, MD and MaryKay Farrell, RN
BREAKOUT SESSION #3 • Tuesday, May 24, 2011 • 10:15 am-11:00 am	
1 • 2 • 3	Emergent Sedations - Mark Buckmaster, MD; Kevin Couloures, MD
1 • 2 • 3	Incorporating Your Electronic Medical Record into Sedation QI - Michael Mallory, MD; Rod Tarrago, MD
1 • 2 • 3	Optimizing Sedation for Invasive Procedures - John Berkenbosch, MD; David Banks, MD; Jeana Havidich, MD; Jana Stockwell, MD; Sue Kost, MD; Michael Mazurek, MD
1 • 2 • 3	Nursing Billing/reimbursement 2011 – Debbi LaViolette, RN
1 • 2 • 3	Screening and Triage Tips for Pediatric Sedation Nurses – Esther McClure, RN
1 • 2 • 3	Practical Tips for Nitrous Oxide Administration - MaryKay Farrell, RN
BREAKOUT SESSION #4 • Tuesday, May 24, 2011 • 11:10 am-11:55 am	
1 • 2 • 3	Round Table Discussion: Academic Advancement Through Pediatric Sedation Research and Other Scholarly Activities – Gregory Hollman, MD
1 • 2 • 3	Incorporating High Fidelity Simulation into Pediatric Sedation Training and Credentialing – Joseph P. Cravero, MD
1 • 2 • 3	Optimizing Sedation for Invasive Procedures - John Berkenbosch, MD; David Banks, MD; Jeana Havidich, MD; Jana Stockwell, MD; Sue Kost, MD; Michael Mazurek, MD
1 • 2 • 3	Nursing Billing/Reimbursement 2011 – Deborah LaViolette, RN
1 • 2 • 3	Screening and Triage Tips for Pediatric Sedation Nurses – Esther McClure, RN
1 • 2 • 3	Practical Tips for Nitrous Oxide Administration - MaryKay Farrell, RN
BREAKOUT SESSION #5 • Tuesday, May 24, 2011 • 3:35 pm-4:20 pm	
1 • 2 • 3	Round Table Discussion: Child Life Specialists and Pediatric Sedation - Kris Frey, CCLS
1 • 2 • 3	Dexmedetomidine: Practical Tips for Administration - John Berkenbosch, MD
1 • 2 • 3	Round Table Discussion: Optimizing Sedation Scheduling - Anne Stormorken, MD
1 • 2 • 3	Sedation Nursing Training, Certification, and Credentialing – Valerie Herman, RN
1 • 2 • 3	Nitrous Oxide: Emergency Department Applications – Susanne Kost, MD; Michael J. Stoner, MD
1 • 2 • 3	Billing and Reimbursement for Nitrous Oxide Sedation - Where do we go from here? – Judith Zier, MD
BREAKOUT SESSION #6 • Tuesday, May 24, 2011 • 4:30 pm-5:15 pm	
1 • 2 • 3	Round Table Discussion: The “Pediatric Sedationist” Career - Clinical Practice Based Exclusively on Pediatric Sedation – J. Michael Connors, MD; Gregory Hollman, MD; Jason Reynolds, MD
1 • 2 • 3	Beyond Propofol - Alternative Choices for Pediatric Sedation Regimens - Gordon Gale, MD
1 • 2 • 3	Round Table Discussion: Optimizing Sedation Scheduling - Anne Stormorken, MD
1 • 2 • 3	Sedation Nursing Training, Certification, and Credentialing – Valerie Houser, RN
1 • 2 • 3	Nitrous Oxide: Emergency Department Applications – Susanne Kost, MD; Michael J. Stoner, MD
1 • 2 • 3	Billing and Reimbursement for Nitrous Oxide Sedation - Where do we go from here? – Judith Zier, MD

NAME: _____ Submit this sheet along with the program registration form on page 12.

SPS Sedation Provider Course Registration Form

First Name: _____ Last Name: _____

	On or Before May 2, 2011	After May 2, 2011
<input type="checkbox"/> Physician Member.....	\$350	\$450
<input type="checkbox"/> Physician Non-Mem.....	\$475	\$525
<input type="checkbox"/> Nurse, Allied Health - Member.....	\$250	\$350
<input type="checkbox"/> Nurse, Allied Health Non-Member.....	\$325	\$375
		TOTAL: _____

(Example registration form on page 12. Submit both forms when you register.)

Participation in each registrant category is limited for this course. Registrants will be taken on a first come, first served basis. Those not accepted in the course will be placed on a waiting list and notified if a spot should become available.
