

2012 Society for Pediatric Sedation™ Conference

Expanding the Horizons of Pediatric Sedation

May 21-22, 2012 • Wyndham Hotel, Cleveland, OH

SPS Sedation Provider Course™

Sunday, May 20, 2012 • Rainbow Babies' and Children's Hospital, UH Main Campus

For up-to-date program and registration information,
please visit

www.pedsedation.org

Scientific Program Information

Target Audience

Procedural sedation increasingly impacts many aspects of pediatric medical care and sedation providers include professionals from a broadening range of disciplines. This educational activity is intended for any health care provider interested in or who provides pediatric procedural sedation including physicians (any subspecialty), dentists, nurses, advanced practice nurses, nurse anesthetists and other health professionals.

Statement of Need

Significant variability exists between the medical care models currently employed in the delivery of pediatric sedation. However, based on responses from prior sedation conferences, themes/questions posed to/on sedation discussion forums, and current published literature, sedation providers continue to desire greater understanding of the elements of optimal sedation delivery systems, how those elements relate to their own individual organizational structures, and how these elements can be incorporated into provider training and practices. These venues have also identified a need for a better understanding of the sedation needs of sub-populations of pediatric patients with unique needs as well as the overall processes involved in the pre-sedation assessment, patient selection, intra-sedation and post-sedation care.

Purpose

Participants will develop an understanding of care delivery models in pediatric sedation, in terms of their organizational structure, business practices, credentialing of providers, patient selection and medical practices. This knowledge will allow sedation providers to evaluate and adjust their practice models and/or individual clinical practices within which they currently function, or are in the process of building. Participants will also obtain a better understanding of practical issues in delivering sedation care, including selection of sedation agents, pre-, intra- and post-sedation care, and sedation education processes, all of which will enhance participants subsequent clinical sedation practices. The additional skills and knowledge participants will gain on both the levels of systems design and of individual practice will result in improved, safer patient care.

Overall Conference Objectives

Upon completion of this course, the participant will know practical steps in conducting safe and effective procedural sedation, including how to perform a pre-sedation risk assessment. They will also be able to (1) describe the effects of sedation on airway control and respiratory drive; (2) explain the principles of and interpret the information from pulse oximetry and capnography; (3) define, diagnose and treat adverse airway and cardiopulmonary events during sedation; (4) demonstrate hands-on critical competencies related to sedated pediatric patients, including all aspects of airway management, ventilation, resource management and appropriate use of resuscitative measures; (5) demonstrate knowledge of the pharmacology and uses of common sedative drugs; (6) develop a systematic and rational approach to selecting a sedative regimen; and (7) understand rationale and application of discharge criteria.

SPS Sedation Provider Course® - Limited to 24 participants – registration will be accepted on a first-come, first-served basis.

Target Audience

The target audience for the SPS Sedation Provider Course® includes health care providers who have clinical experience in the area of pediatric sedation and who desire to enhance their knowledge and clinical competency in the field. This group includes physicians, nurses and advance-practice nurses involved in the field of pediatric sedation.

Statement of Need

This course is designed to meet the needs of the sedation provider seeking both practical (simulation) training and didactic content focused on patient selection, patient safety, pharmacology and the management of common adverse events. As significant adverse events are rare, this “hands-on” model of training is especially pertinent.

Purpose

Participants will gain clinical skills and a deeper understanding regarding issues related to the assessment of sedation patients, development of a sedation plan, recognition and management of both common and life-threatening adverse events in sedation practice and sedation pharmacology. This course is designed to provide practitioners with the knowledge, competencies and skills that promote safe and effective high-quality procedural sedation to children.

Objective

The goal of the provider course is to provide practitioners with the knowledge, competencies and tools to promote high quality procedural sedation to children. Upon successful completion of this course, the registrant should be able to:

1. Perform a pre-sedation risk assessment;
2. Describe the effects of sedation on airway control and respiratory drive;
3. Explain the principles of and interpret the information from pulse oximetry and capnography;
4. Define, diagnose and treat adverse airway and cardiopulmonary events during sedation;
5. Demonstrate knowledge of the pharmacology and uses of common sedative drugs;
6. Demonstrate hands-on critical competencies related to sedated pediatric patients including all aspects of airway management, ventilation, resource management, and appropriate use of resuscitative measures; and
7. Develop a systematic and rational approach to pediatric sedation.

Accreditation for Physicians

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Case Western Reserve University School of Medicine and the Society for Pediatric Sedation. Case Western Reserve University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 23.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Credits listed above include nine (9) for the the SPS Sedation Provider Course®.

Accreditation for Nurses

The Society for Pediatric Sedation is requesting 13.749 contact hours for the 2 day conference and 8.66 contact hours for the SPS Sedation Provider Course™.

This activity has been submitted to the Ohio Nurses Association (OBN-001-91) for approval to award contact hours. The Ohio Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Please contact sps@societyhq.com for more information about contact hours.

Pediatric Sedation Research Consortium (PSRC) Meeting

The Pediatric Sedation Research Consortium (PSRC) is an organization of hospitals and universities dedicated to understanding and improving the process of pediatric sedation and sedation outcomes for all children. This organization will have its Annual Meeting on Sunday, May 20, 2012 at 6:30 p.m. The meeting is aimed at updating members on administrative and research issues specific to the work done in the last year and in the immediate future. No CME credit is associated with this meeting. Individuals who are interested in the work of this organization are invited to attend the meeting.

Hotel Reservation Information - Reservation Deadline: May 4, 2012

Wyndham Cleveland at Playhouse Square
1260 Euclid Avenue
Cleveland, OH 44115
216-615-7500

A special web page has been established for guests of the Society for Pediatric Sedation Conference: http://www.wyndham.com/groupevents2010/cleps_pediatric/main.wnt

The SPS group rate is: \$99.00 single/double

Rates are exclusive of applicable state and local taxes, currently at 15.25%.

Visit the Society for Pediatric Sedation website for additional information on the Wyndham Cleveland and area attractions at <http://www.pedsedation.org/sections/meetings/>.

SPS Sedation Provider Course® Program

Sunday, May 20, 2012

7:00 am-7:30 am	Registration and Continental Breakfast
7:30 am-7:45 am	Introduction <i>Gregory Hollman, MD</i>
7:45 am-8:30 am	Pre-Sedation Phase and Assessment <i>Patricia Scherrer, MD</i>
8:30 am-9:30 am	Procedural Sedation Phase <i>John Berkenbosch, MD</i>
9:30 am-9:45 am	Simulation Session Introduction <i>Akira Nishisaki, MD</i>
9:45 am-10:00 am	Break
10:00 am-11:30 am	Simulation Sessions: <ol style="list-style-type: none"> 1. Apnea/Hypoventilation Simulation - Susanne Kost, MD; Jason Reynolds, MD; David Banks, MD; Joseph Cravero, MD 2. Airway Obstruction Simulation - Joan Zoltanski, MD; Cheryl Gooden, MD; David Speicher, MD; Deborah LaViolette, RN; David Fagin, MD 3. Adverse Events Small Group Lecture - David Fagin, MD
11:30 am-12:15 pm	Lunch
12:15 pm-1:45 pm	Simulation Sessions: <ol style="list-style-type: none"> 1. Secretions/Aspiration Simulation – Jason Reynolds, MD; Patricia Scherrer, MD; Joseph Cravero, MD; Joan Zoltanski, MD 2. Hemodynamic Changes Simulation – Susanne Kost, MD; John Berkenbosch, MD; David Banks, MD; David Speicher, MD 3. Monitoring Sedation - Gregory Hollman, MD
1:45 pm-2:00 pm	Break
2:00 pm-5:00 pm	Simulation Sessions: <ol style="list-style-type: none"> 1. Non-Invasive Core Case Simulation – Patricia Scherrer, MD; David Fagin, MD; Akira Nishisaki, MD 2. Invasive Core Case Simulation – Jason Reynolds, MD; Gregory Hollman, MD; Cheryl Gooden, MD 3. Tailoring Sedation Small Group Lecture - Susanne Kost, MD; Deborah LaViolette, RN 4. Post Sedation Small Group Lecture - David Banks, MD
5:00 pm-6:00 pm	Simulation Scenario Test, Written Test

2012 Society for Pediatric Sedation™ Conference

Expanding the Horizons of Pediatric Sedation

Scientific Program

Sunday, May 20, 2012

5:00 pm-7:00 pm Conference Registration
6:30 pm-8:30 pm Pediatric Research Consortium Meeting (PSRC) - No CME Awarded

Monday, May 21, 2012

6:30 am-7:45 am Committee Meetings
7:00 am-8:00 am Registration and Continental Breakfast with Exhibitors
8:00 am-8:10 am Welcome Remarks
Anne Stormorken, MD; J. Michael Connors, MD

8:10 am-8:50 am Is it better to be asleep, without pain or wondering if it ever really happened? Pain Assessment and Management During Procedural Sedation
Constance Houck, MD

8:50 am-9:30 am The Continuum of Consciousness
Leslie Hall, MD

9:30 am-9:45 am Question and Answer
9:45 am-10:15 am Coffee Break with Exhibitors
10:15 am-10:55 am Standardization of Patient Monitoring During Procedural Sedation
Terri Voepel-Lewis, RN, MSN

10:55 am-11:35 am Long-Term Effects of Repetitive Procedural Sedation
John Berkenbosch, MD

11:35 am-11:45 am Question and Answer
11:45 am-12:15 pm Box Lunch in Exhibit Hall
12:15 pm-1:15 pm SPS Year in Review
Janey Phelps, MD; Terri Voepel-Lewis, RN, MSN; Michael Mallory, MD

1:15 pm-1:30 pm Break
1:30 pm-2:15 pm Breakout Sessions #1 - see breakout listing on page 7.
2:15 pm-3:00 pm Breakout Sessions #2 - see breakout listing on page 7.
3:00 pm-3:45 pm Breakout Sessions #3 - see breakout listing on page 7.
3:45 pm-4:00 pm Break to Change Sessions
4:00 pm-5:00 pm Stump the Attending - Interactive Session
Patricia Scherrer, MD; Gregory Hollman, MD; J. Michael Connors, MD; Aaron Calhoun, MD

5:00 pm-6:00 pm Committee Meetings
6:00 pm-8:00 pm Welcome Reception with Exhibitors/Professors Rounds
James Hertzog, MD; Gregory Hollman, MD

6:30 am-7:45 am	Committee Meetings
7:00 am-8:00 am	Registration and Continental Breakfast with Exhibitors
8:00 am-9:00 am	Abstract and Poster Presentations <i>James Hertzog, MD</i>
9:00 am-9:40 am	Optimizing Learning Experiences in Procedural Sedation <i>Aaron Calhoun, MD</i>
9:40 am-10:20 am	The Role of a Sedation Consultant: Defined by skill-set or institution? <i>Jason Reynolds, MD</i>
10:20 am-10:35 am	Question and Answer
10:35 am-11:05 am	Coffee Break with Exhibitors
11:05 am-11:45 am	Breakout Sessions #4 - see breakout listing on page 7.
11:45 am-12:00 pm	Break to change sessions
12:00 pm-1:15 pm	Lunch Session: Poster Awards, Report from SPS Consensus Conference <i>J. Michael Connors, MD; Lia Lowrie, MD</i>
1:15 pm-1:45 pm	Round Table Discussion of Outpatient Procedural Sedation <i>Michael Mallory, MD; Gerald Ferretti, DDS, MS, MPH; Jana Stockwell, MD</i>
1:45 pm-2:00 pm	Question and Answer
2:00 pm-2:40 pm	Clinical Outcomes Assessment in Pediatric Sedation <i>Joseph Cravero, MD</i>
2:40 pm-2:50 pm	Question and Answer
2:50 pm-3:00 pm	Break to change sessions
3:00 pm-3:45 pm	Breakout Sessions #5 - see breakout listing on page 7.
3:45 pm-4:30 pm	Breakout Sessions #6 - see breakout listing on page 7.
